

LET'S BUILD A LEGACY

2019 Annual Giving Program

The Wesley community has played a vital role in supporting the progress of our College over its 153 year history. Without the passion and commitment from parents, alumni and friends of the College, Wesley would not be where it is today.

Looking to the future, such continued support is critical to our ability to deliver a rich, academic and liberal education.

You can be part of this great legacy both now and into the future.

Please donate today.

WESLEY COLLEGE

MELBOURNE AUSTRALIA - SINCE 1866

A True Education

The Role of Our Foundations

The Wesley College Foundation

The Wesley College Foundation was established in 1978 to assist the College with financial support, benefiting each and every one of our students.

Each year, the Foundation provides opportunities for our College community to support Wesley's philanthropic programs and enhance the experience of all those who attend our school.

The Yiramalay Foundation

In 2004, Wesley College formed a unique partnership with the Aboriginal people of the Fitzroy Valley community in the Kimberley, aiming to bring about positive change through education. The Yiramalay Foundation was established in 2013 to support the Yiramalay/Wesley Studio School.

The Foundation provides continuing financial support to the Yiramalay/Wesley Studio School, where Aboriginal and non-Aboriginal students learn side by side.
